## Professional Affiliation

Member, Appraisal Institute. Received MAI Designation May 2, 1997 (Member No. 11,258)

Past President (2003), Seattle Chapter of the Appraisal Institute

Member, International Right-of-Way Association

Associate Member, Washington Airport Manager's Association

## Appraisal Experience

Principal with *Allen Brackett Shedd*. Responsibilities include the full range of residential, commercial and industrial real estate valuation. Appraisals have been prepared on such diverse properties such as airports and airport-related facilities, park lands, subdivisions and golf courses, as well as typical commercial and industrial improved property. Airport work has included valuation of entire airports to assist in determining lease rates, valuation of adjacent properties for airport expansion, aviation related improved properties and aviation easements. Improved and Unimproved valuations have been performed for acquisitions in fee, leased fee and leasehold interests, partial takings, as well as various partial interests including the following: conservation easements, utility easements, subsurface easements, air-rights/aviation easements, and minority interests. Numerous Appraisals have been prepared for use in litigation, including eminent domain dispute resolution, condemnation and inverse condemnations. UASFLA-compliant Appraisals have been prepared for a wide variety of agencies on a wide range of property types.
